

**About Us:**

Elbow Springs Golf Club is a 27 hole semi-private golf course located just west of Calgary. We are looking for motivated and coachable individuals to join our team for the upcoming season. Ideal candidates possess a willingness to learn and the flexibility to commit to working a variety of shifts for the duration of the golf season which traditionally runs from early April to mid October weather permitting.

**Volunteer Marshal Job Description:**

The Marshal's primary role is to manage and maintain the acceptable pace of play for the course. Marshals are also a club ambassador interacting with both members and guests to assist them in having the best experience possible. The position involves driving a power cart on rough terrain for extended periods of time as well as lifting items such as folding tables and chairs, because of this we ask volunteers to be physically fit enough to perform these tasks.

**Responsibilities:**

- Greet players.
- Monitor and maintain pace of play.
- Monitor for on course issues or hazards (insects, water leaks, bathrooms in need of tidying).
- Field members and guest inquiries and complaints.
- Assist in setup and take down of both corporate and member events.

**Compensation:**

Elbow Springs offers a golf privilege based on the number of hours worked per pay period. Each 6 hour shift equates to approximately one 18 hole green fee with a power cart.

Golf passes are valid for use for tee times Monday-Thursday with 7 day advanced booking. If you wish to use the passes Friday-Sunday or Holidays you can pay an upcharge fee of \$14 per pass.

Volunteers may also use the practice facilities free of charge when space is available.
