# MARSHAL - VOLUNTEER

DEPARTMENT: PROSHOP

---

## WHAT'S IN IT FOR YOU?

- An 18-hole green fee with power cart for each 6 hours worked
- Grow your skills to set you up for future opportunities
- Great discounts on golf equipment, apparel and food
- Work in a fun environment with a team that loves what they do

## ABOUT THE ROLE

We are looking for motivated and dependable people who are committed to providing exceptional service! This is a seasonal position (weather dependent, likely until mid-October). This position involves driving a power cart on rough terrain for extended periods of time as well as lifting folding chairs and tables; volunteers must be physically fit enough to perform these tasks. We are looking for someone who can:

- Provide exceptional service to everyone you come across
- Greet guests, making them feel welcome and familiar
- Monitor course issues or hazards
- Maintain pace of play
- Field member and guest inquiries or feedback
- Assist with day-of operation for tournaments and leagues
- Lead by example, take pride in work, and have the right attitude to contribute to our company culture in a positive way
- Get here dependably - we are located just west of Calgary on highway 8 with no public transit access

## HOW TO APPLY

Send us an email and tell us why you'd be a great addition to our team and your availability (we give preference to applicants who can work into October, but will consider those who need to end earlier). Include a resume with 3 references. We will be in touch!
